Dear Hiring Manager,

I am writing to give my highest recommendation to my coworker, Maren Patterson. I have worked closely with Maren at Brensten Education, (one year) as well as M & I Mortgage Corporation for over two years, and can attest to his outstanding character and skill set.

Working with Mr. Patterson has inspired me to achieve higher goals, because he encouraged me to reach out past my boundaries. When asked Mr. Patterson gave helpful criticism of my work, and then would volunteer to help me implement the solutions. He has always been a team player who could always be counted on to put in more than his fair share of the work. After normal business hours Mr. Patterson could often be found putting the finishing touches on his next project.

His versatility in IT, graphic design, Web design, and video editing makes him a very attractive candidate for any organization looking to upgrade their current employee roster.

Mr. Patterson is an intelligent and dependable team player, although I will miss him here at Brensten Education, I know that he will be an asset to your organization. If I can answer any questions for you, please feel free to contact me at 262-901-1415 or jbush@bse.edu.

Very respectfully,

James Bush, Jr.
