Minister/Bishop

To whom it may concern;

I am, Bro. David Kimmons, Minister/Bishop of the Brentwood Church of Christ located in Milwaukee, Wisconsin. The reason for writing this letter is to strongly recommend Mr. Maren Patterson for attendance to your academic institution. I arrived to Brentwood COC in 2005 as the Youth Minister/Counselor; and I must strongly acknowledge the information and skills Mr. Patterson displayed were vital in assisting me to understand problematic situations of the youth and difficulties of the parents and to establish a meaningful program of direction. Mr. Patterson responded by taking many young men to his home discussing ways to assist them and methods to make them more independent. His unique ability to establish dialect with our teens prompted him to be selected as one the youth leaders.

Mr. Patterson began his work under the watchful hands and eyes of a former minister, it was here that Maren developed and interest in Multimedia engineering and which lead him to establish our Church's radio program. Maren took hold of his talents and ability to speak and returned to school to fulfill his role as the Multimedia consultant for the Church. Maren has proven himself to be a professional in thought, speech, and actions.

Maren has also distinguished himself as a caring compassionate brother in the faith; contributing to the growth and development of our members. He operates in our community outreach programs where we provide food for those in need, clothing, and financial assistance if needed. It is with great purpose and esteem pleasure I recommend Mr. Maren Patterson to attend your educational institution; he will provide leadership, display positive behavior, and instill maturity in fellow college students. Mr. Patterson will bring enhance your institution's prestige, honor, and ethical conduct.

If there are any questions please contact me at 414-353-6757 or 414-372-9253 for any additional information.

Sincerely,
David L. Kimmons
Minister/Bishop
