To Whom It May Concern:

This letter is my reference and recommendation for Maren Patterson.

Maren approaches all of his endeavors with a determined pursuit of excellence. He is a humble individual yet manages to inspire those around him with his quiet demeanor.

I became reacquainted with Maren more than four years ago after having previously worked with him at the M&I Mortgage Corporation.

Maren has contributed his talents in the audio-visual arts to a number of projects that I have been involved with and his insights have always proven valuable.

Maren has a thirst for knowledge and expanding his horizons and would be a welcome asset to any team.

Please feel free to contact me with any questions at [lhightire@wi.rr.com](mailto:lhightire@wi.rr.com) if you require additional information.
