Dear Hiring Manager,

It is my privilege to write a letter of reference for Maren Patterson. Maren has been working at DSI for a little more than a year, and during that time he has been nothing less than an outstanding employee. He has been the ultimate teammate, and his coworkers have had nothing but positive things to say about him.

I have had the opportunity to work closely with Maren on several projects, and I can say that the work he produces is excellent! He shines in many areas, but his creativity, attention to detail, customer-focus, and organization are next level – and his tasks are always completed on time. Maren takes pride in delivering top quality work, along with a positive experience for all who work with him.

I am confident that whoever Maren works for/with in the future will have the same type of experience that I have had with him over the last year. With his skillset and character, Maren will be a positive addition to any team. If you have any questions that I can answer don't hesitate to reach out to me at, Miek.Miegola@DSIsystemsinc.com or 480.707.8193

Best regards,

Miek Miegola
